

UNIQUE STATELY AIR CONDITIONED RESIDENCE WITH ELEVATION & VIEWS

There is something about this remarkable 6 bedroom, 3 bathroom residence that makes you want to step inside. The entry red door is very inviting and as you enter there is the WOW factor at what the owners have transformed this original building into today.

The ground or entry level is fully air conditioned and consists of the very much oversized Oregon pine kitchen, with all the modern appliances, including a Miele oven, Fisher & Paykel cooktop and a dishwasher. The kitchen overlooks the expansive living area which conveniently flows out to the front deck, where you will capture Harbour views and the ocean breezes.

There is a separate air conditioned family room on this level, plus five bedrooms, four of which have air conditioning and the main bathroom. One of the bedrooms on this level also has an ensuite bathroom.

Take yourself up the internal timber staircase to the next level where you will find the air conditioned Master Bedroom with a modern touch, an ensuite, robe and also a study nook.

The block size is 960m2 and is fully fenced with a remote gate for side entry. Parking is plentiful either at the front of the residence, or at the back of the fully fenced property where you will find the triple bay carport.

 ASSET MANAGEMENT

The Owners have lovingly restored this classical colonial chapel retaining the original soaring ceilings and warm hard floors throughout.

Opportunities do not arise very often in our Gladstone region to experience living in a home which boasts such character, ambience and uniqueness.

The property is water efficient and the tenants are responsible for 100% of the water usage costs.
